To the Honourable the Legislative Assembly of the Province of British Columbia, in Legislature Assembled:

The petition of the undersigned citizens of the City of Rossland states that:

Whereas the Province has established a Controlled Recreation Area to provide for activities at the Red Mountain Ski Resort area, and

Whereas the Controlled Recreation Area includes lands which are part of the City of Rossland watershed, and

Whereas the pesticides, herbicides, and fertilizers used on golf courses have been shown to have significant negative impacts on adjacent watersheds and aquifers, and

Whereas the Topping Creek watershed provides a significant portion of water which is required to provide for the needs of both existing and future Rossland residents,

Your petitioners respectfully request that the Honourable House not approve any amendment to the Controlled Recreation Area that would allow construction of a golf course or residential property in the Topping Creek watershed.
